SCDC Form 1-3 (Rev. Sept. 2013)
# Criminal History

All applications will be processed through the National Crime Index Center (NCIC). Answer all questions completely and honestly. Having a record will not automatically eliminate you from volunteering; however, failure to fully disclose this information will delay the processing of your application.

Examples of crimes, other than minor traffic violations, that must be reported are: Driving under the influence of intoxicating beverages or other drugs; fraudulent or bad checks; disturbing the peace; leaving the scene of an accident. You must list arrest(s) and conviction(s) even if you were pardoned, paroled, had a suspended sentence, probation or the charges were dropped or dismissed.

This information may not disqualify you, but must be listed regardless of date or type of offense. An arrest or being charged with a crime includes being fingerprinted or simply having a warrant issued. Regarding disclosure of arrest record, applicants who have received an Order of Expungement from a court of competent jurisdiction are not required to list/report such arrests.

Have you ever been accused of or been found liable of sexual abuse, sexual misconduct, or sexual harassment or resigned during a pending investigation of a sexual abuse, sexual misconduct, or sexual harassment allegation with any previous employer? *(28 CFR 115)*

I have read and understand the above and certify the information provided is correct. I agree that any false statements may result in SCDC prohibiting my entrance into any facility. I authorize SCDC to utilize the above information for the purpose of completing an NCIC (National Crime Information Center) background check. I understand that failure to receive approval to work at any SCDC facility based upon any information above will be communicated to the facility supervisor and will require my immediate termination from the SCDC facility. Service providers are subject to random drug testing to be conducted by SCDC. Refusal to take or positive results of a random drug test will result in immediate and permanent removal and banishment of the service provider from all SCDC facilities. Anyone under the influence of prescription medication, testing positive on a drug test must be able to provide documentation that lists him/her, as the person for whom the medication was intended (SCDC policies ADM 11.01 and GA-03.02)

I understand that I will not receive any compensation for serving as a volunteer. I understand that there are certain risks inherent in working within the confines of a correctional facility. Facility staff will take normal and prudent precautions for my protection but they cannot guarantee my physical safety nor protect me from any legal liability that may result from my actions as a volunteer. Furnishing the requested information is voluntary, but the failure to provide all or part of the information may result in lack of further consideration for volunteer services, clearance or access, or in the termination of your volunteer services.

This information I have provided is true to the best of my knowledge. I authorize the SCDC to conduct a background investigation to verify the information. I also understand that the SCDC will not be responsible for any personal injury or property loss that may occur to me while performing volunteer service, and I am aware of the Agency’s zero tolerance to drugs and sexual misconduct, and my required adherence to all of the Agency’s policies.

I have read (or have had it read to me) this application and understand the information that it contains.
