Transforming Lives in Prison... from the Inside Out

VISION

We imagine a day when the back of recidivism is broken in our state, our nation, and beyond.

MISSION

In partnership with donors, churches and community partners, we are discipling the incarcerated and assisting returning citizens with re-entry services.

BELIEF

God's future is greater than our past.

CORE VALUES

Accountability | Responsibility | Authority

THE JUMPSTART STORY

What is known as JUMPSTART today began as an idea among a group of believers who had met Christ while serving life sentences at McCormick Correctional in the mid 1990's. They were heartbroken as they witnessed so many being released only to return to prison a short time later. Many of those being released simply were not prepared for the challenges they faced as they returned to the community. This group of believers were convinced that people had to be prepared before being released AND had to have a stable place to live and work, with transportation, life skills training, and accountability.

In the early 2000's, these men made parole. As they worked delivering pizza, doing janitorial work, and other jobs to earn a living, they began volunteering with the prison system to serve others with what they had learned. It wasn't long before their passion infected others in the community with a desire to break the back of recidivism. JUMPSTART was initially formed by these men which included Don Williams and Chuck Fields, and soon after, William Harrison. Because of their backgrounds, each yearned to see others experience the grace of God and lasting freedom.

Over the past 12 years, it has been incredible to see how God has exceeded everyone's greatest expectations. God has orchestrated literally thousands of people and over a hundred churches and organizations to develop JUMPSTART into a healthy and thriving organization. JUMPSTART works because God is at work. As He leads more people to serve and support His work of Restoring Broken Lives, JUMPSTART will be able to help many more discover that with Christ, their future can be greater than their past.

"It isn't just money you're investing. You're investing of yourself and in your fellow man. That's really what it's about. The question is, if when you're standing in front of God, do you want to tell him that you took a pass on that? Or do you want to tell him you reinvested in his children." – Grant T.

RESTORATION VILLAGE UPSTATE

Three years ago, we launched the "Vision for Tomorrow" campaign to consolidate ten housing properties into a 26-acre campus called Restoration Village Upstate. We currently have 100% board pledges and a matching campaign to initiate development of the campus. Plans are well underway for breaking ground, beginning site development, and initiating construction of the initial transitional homes.

Commemorative opportunities are currently available including: furnishing a house, kitchen or bedroom; providing funding for a resident manager's house; naming for the prayer garden or covered pavilion; and many more. Your generous donations and support are making this a reality.

"In one year after arriving at JUMPSTART these men and women graduate and reintegrate back into society as healthy, gainfully employed people of integrity, and are also often ambassadors of Christ. All of this because instead of returning to chaos, and hopeless situations, they went somewhere where love is poured into them. You see, investing in JUMPSTART is an investment in your community." – *Ted C.*

"Before JUMPSTART, it was all about me and my selfishness. Through the program, I started seeing the transformation in MY heart the way God wants me to be. Unlike many transition programs, JUMPSTART actually teaches you how to live in a new way. The programs, meetings, volunteers, and the staff, they are truly there to help you grow. You are not facing this world alone!" – Kimberly M.

Because of you, we are successfully transforming lives in prison from the inside out. Thank you for partnering with us to disciple the incarcerated and assisting released prisoners to becoming productive citizens.

Join us as we continue to move forward recognizing that God's future is greater than our past!

"For me, it shows the transforming power of the gospel. I mean, we talk about that all the time, but when you see people actually transformed by the gospel and hear their life story, in the sense of the before Christ and then after Christ, you know, it's fantastic." – Pastor, 2nd Presbyterian Church
