HIGH LEVEL VIEW OF JUMPSTART PROGRAMMING

1. 40-week intensive discipleship-based program with an emphasis on re-entry preparation for individuals in prison who are 2 years or less within their max out or parole dates. JUMPSTART® [name] STATE CHAPTER will use the inmate peer led approach to leading and teaching within each correctional facility. Inmate leaders and volunteers are trained using the JUMPSTART proprietary leadership development material for the purpose of personal leadership development and class management. The classes are open to anyone who will follow the tenets of the program. The Purpose Driven Life by Rick Warren paired with the Bible and the JUMPSTART proprietary Participant Manual, and the proprietary JUMPSTART Leader Manual serve as the basis of the program.
2. For some, the program continues after prison release for a 6 month or 1 year period where participants will be mentored in Christian lifestyle living, assisted with transitional housing and jobs provided by the JUMPSTART [name] STATE CHAPTER. This is referred to as the “Outside Program” which will naturally take more time to form and fund.

PURPOSE OF A STATE CHAPTER

1. Each state chapter provides leadership and oversight in their state to support the rollout and growth of JUMPSTART programming.
2. While most state chapters launch a class in one prison; it is anticipated that, over time, you will conduct classes in multiple prisons across your state.
3. State chapters become a single point of contact in two regards. (State chapter <> Jumpstart USA) and (State chapter <> your department of corrections)
4. To act as a catalyst within the Body of Christ to stimulate a vision, to create a spirit of cooperation, and to implement an ongoing strategy to help ex-offenders transition from incarceration to a Christ honoring lifestyle.
5. To honor and glorify the Lord Jesus Christ in its operation and through its finances, in the hope that many people might come to know Jesus Christ as Savior and Lord of their lives.

VALUE PROPOSITION FOR STATE CHAPTERS

Starting a prison ministry as a new entity with no track record is quite difficult. JUMPSTART state chapters benefit from:

1. The established JUMPSTART brand and logo.
2. The established materials and processes.
3. The established JUMPSTART story and reputation carrying 15 years of history and success. For example, accomplishments such as low recidivism rates are a body of results you "adopt" by virtue of agreeing to follow a proven process. This becomes important to gaining the confidence of various constituencies in your state.
4. Monthly state chapter calls facilitating shared learning (challenges and successes) from a growing cadre of state chapters.

STATE CHAPTERS ARE GOVERNED LOCALLY

QUALIFICATIONS OF LEADERSHIP COUNCIL OR BOARD MEMBERS.

The operation of the JUMPSTART [name] STATE CHAPTER shall be overseen by a Leadership Council, or Board of Directors as circumstances dictate. Leadership Councils will serve at the pleasure of the Board of Trustees of JUMPSTART. The appointment of a Leadership Council or Board member is not based on popularity but the outstanding qualifications which complement the activities of the member, unselfish dedication, and a willingness to serve our Lord Jesus Christ.

WHAT GOVERNS THE RELATIONSHIP BETWEEN JUMPSTART USA AND STATE CHAPTERS?

Relationship is the key word. The relationship is crucial since the parties, together, would be setting out to implement and grow the JUMPSTART Prison Ministry in your state and eventually across the United States.

Assuming the parties have reached a comfort level to proceed working together, JUMPSTART USA and your state chapter would enter into an established Operating Agreement and a Trademark and Copyright License Agreement. Both agreements establish a comprehensive understanding around rights, responsibilities, limitations, and expectations.

STEPS INVOLVED IN STARTING A STATE CHAPTER

1. Review this document in its entirety to gain information pertaining to frequently asked questions, costs, timeline, etc. related to starting a state chapter.
2. Set up an introductory call to discuss your interest and questions regarding the specifics involved in pursuing a state chapter. Please send your inquiry to JSUSA.info@jumpstartvision.org.
3. Schedule a meeting at JUMPSTART in South Carolina where you will meet JUMPSTART USA leadership team members and discuss the next steps required to start your state chapter.
4. Set up an informational meeting to be held in your state. JUMPSTART USA will attend and present at your informational meeting, either in-person or virtually. You invite potential volunteers and other stakeholders that want to learn more and ask questions.
5. Meet with your Dept. of Corrections to assess/obtain “buy in” for hosting JUMPSTART classes.

WHAT IS NECESSARY TO START A CLASS?

1. Warden and chaplain need to be briefed on program and make a commitment to having class each week for the purpose of conducting a successful program.
2. Establish a Memorandum of Understanding with the Department of Corrections. In summary, it states that JUMPSTART USA via the State Department of Corrections (DOC) will provide all materials and volunteers for the program and the DOC will do their best to ensure the class is held each week.
3. Hold an informational meeting where inmates hear about JUMPSTART and ask questions. JUMPSTART USA will help provide a speaker for this meeting. Conduct sign up.
4. Inmate leaders complete a 6-week leadership module. It is best if Outside Volunteers can be a part of this training. JUMPSTART's Inside Program director is available and recommended to be present to ensure the first training process goes smoothly.

HOW LONG DOES THE PROGRAM LAST?

46 Weeks: (6 weeks of Leader Training followed by the 40- week class).

HOW ARE PARTICIPANTS SELECTED?

An open enrollment is held throughout the facility. First consideration is given to those who are disciplinary free one year prior to the beginning of class and to those with 1-2 years remaining on their sentence.

A participant may be removed during the class for disciplinary infractions or (3) unexcused absences.

In our experience, approximately one-half of those who begin the class graduate successfully.

IS JUMPSTART OPEN TO ALL FAITH GROUPS?

A person of any faith or no faith may join the program as a participant. However, the JUMPSTART curriculum is Christian. To graduate, participants must live in a manner consistent with Christian teaching. [Volunteers and Inside Leaders will be individuals in a personal relationship with Jesus Christ].

WHERE DO VOLUNTEERS COME FROM?

JS operates best with the assistance of the local church. We have developed a process and materials that are effective in getting local churches to encourage their members to get involved. An awareness kick-off event led by a staff member from JUMPSTART would be available to lead this process and facilitate it at a local church. Other prison ministries such as Kairos and Prison Fellowship are a valuable resource for volunteers.

WHAT IS THE INITIAL COST?

Leadership Manuals, Participant Manuals and Purpose Driven Life books:

- JUMPSTART USA prints and distributes:
 - Leadership Manuals: \$13.50 + Shipping
 - Participant Manuals: \$18.00 + Shipping
- Purpose Driven Life book is \$2.50 from Saddleback.
- Partial or full cost of training expense

WHAT IS THE ROLE OF JUMPSTART USA GOING FORWARD?

JUMPSTART USA will serve as a training resource for all facets of the program. We expect to have staff onsite for some of the training, and members of the State Chapter to visit South Carolina.

JUMPSTART USA provides and upholds a “Picture of the Future” to be shared by all state chapters who adopt a shared Mission; Vision; Belief; Core Values; and Keys to Success as shown on the final page of this document.

WHAT DOES OVERSIGHT LOOK LIKE?

It is the request of JUMPSTART USA that a local leadership council or board of directors be formed to provide leadership and oversight to the program. This would include recruitment of volunteers, raising of funds through Awareness Events, cooperation with DOC, etc.

WHAT IS THE RELATIONSHIPS BETWEEN PAROLE, PARDON, and PROBATION?

JUMPSTART South Carolina enjoys a very close working relationship with PPP. We have met on numerous occasions so that they may have a clear and thorough understanding of what it means to be a successful JS graduate.

We request PPP be informed of who JUMPSTART is and what it means to be a JUMPSTART successful graduate.

ARE THERE OTHER BENEFITS TO JUMPSTART OTHER THAN THE PREPARATION FOR RE-ENTRY and REDUCED RECIDIVISM?

Yes, JUMPSTART has an impact on prison culture as participants learn to live out what they are learning. During leadership training, the leaders learn how to be a positive influence in the lives of their peers. As the participants learn and mature throughout the program, their improved behavior impacts others in their dorms.

DO OTHER PROGRAMS BESIDE THE INSIDE PROGRAM EXIST?

Yes, JUMPSTART conducts and operates an outside program. This program exists for the purpose of preparing returning citizens for re-entry. Program begins 90 days prior to release. Assists with issues such as finding a mentor, obtaining identification, locating an address, etc.

Our outside program is available to successful graduates who recognize the need for assistance with re-entry. The program consists of paid staff, housing, transportation, jobs, church involvement to name a few of the offerings. The five keys to success must exist prior to establishing an outside program. They are daily surrender to Christ, have a job-keep a job, set and maintain a budget, have a supportive community, and have fun God's way!

Program participants pay program fees ranging from \$100.00 – \$135.00 weekly after a 30-day stabilization period and after beginning employment.

For the first 12 months, energies of the state leadership council will be exclusively focused on the launch of the Inside Program before developing the Outside Program. JUMPSTART USA will be an available resource to help develop the Outside Program when the timing is right to do so.

WHAT DOES THE TIMELINE LOOK LIKE?

- 0-6 months: form leadership council, train volunteers, hold awareness events for the purpose of recruiting volunteers and financial resources*
- 5-8 months: identify, select and train prospective inmate leaders
- 11-12 month: hold sign-up, conduct orientation of JUMPSTART prospective participants
- 20-24 months: first graduating class

* The financial amount needed when initiating a state chapter is minimal (usually to cover cost for materials) but will change when it becomes necessary to hire an Executive Director. This should be taken into consideration when financial resources are evaluated and identified for initially supporting the new state chapter.

LEADERSHIP COUNCIL

Within each state, a leadership council or board of directors serves at the pleasure of JUMPSTART USA, a faith-based 501c3 providing oversight to the creation and implementation of each new state. The Leadership Council is tasked with initiation, development, and operation of JUMPSTART in their respective state. Specifically, this includes:

WE BELIEVE

1. We believe the Bible is a perfectly inspired revelation of God's character and purposes and therefore serves as the ultimate foundation for all belief and behavior.
2. We believe man was created with the ability to recognize the supreme value of God. He was designed to enjoy and honor God, but has failed to do so through sinful actions and attitudes that are hostile to God.
3. We believe the universe was created by God's command, is sustained by His power, and is guided by His sovereign control over all things. As a result of man's sin, the world has experienced significant damage and thus contributes to man's suffering on earth.
4. We believe Jesus is the Son of God who has existed in equality with God throughout all eternity. He lived for thirty-three years on earth. He was conceived in the womb of a virgin and lived a sinless life that was characterized by great teaching and miracles. At the end of His life He willingly died on a cross to absorb God's wrath for our sin. He rose from the dead and ascended to heaven to affirm His triumph over evil.
5. We believe God enters into a relationship with all individuals who place their full trust and hope in Jesus Christ. This saving work of God frees the believer from sin's guilt, sin's dominance and eventually sin's presence.
6. We believe salvation occurs as the Holy Spirit persuades man to receive Christ and empowers him to honor God through obedience and service.
7. We believe that all Christ followers are connected invisibly through their faith and visibly in the local church. It is through the body life of the church that believers experience maximum growth as they celebrate and serve the Lord with one another.
8. We believe Jesus will return from heaven for the purpose of reward and judgment.
The church will be brought into the Lord's presence and live with him forever.
The unbelieving world will experience the painful existence of eternal separation from God's goodness and beauty.

Doctrinal Protection Policy

Adopted by JUMPSTART Board of Trustees

1 January 2009

JUMPSTART continues in its commitment to its Statement of Faith, which embodies the non-negotiable and historic beliefs of evangelical Christians.

Within the community of evangelical believers various distinctives exist which do not prevent our fellowship in the Lord and our effectiveness as evangelists.

We therefore resolve that JUMPSTART workers are qualified by their unreserved commitment to JUMPSTART's Statement of Faith and their further commitment in all JUMPSTART activities to refrain from teaching or otherwise advocating doctrinal distinctives either contrary to or in addition to the Statement of Faith

Recognizing the spiritual need of ex-offenders in our community and around the world, I would like to assist in the work of JUMPSTART.

I understand that JUMPSTART is without specific denominational affiliation and have read the Statement of Faith and Jump Start Doctrinal Protection Policy. In becoming a coworker with JUMPSTART, and in order to protect the ministry, I agree not to propagate or practice in JUMPSTART ministries any distinctive or controversial doctrines, methods and practices that would go beyond the JUMPSTART Statement of Faith and the approved JUMPSTART curriculum. These would include but not be limited to such things as modes of baptism, alteration of the Gospel message, speaking in tongues, interpretation of Scripture by experience, healing on demand, etc. I understand that anyone who does not adhere to this agreement cannot serve with JUMPSTART as paid staff or volunteer.

In teaching Bible lessons in core JUMPSTART programs I will use exclusively materials approved by JUMPSTART.

In offering my services I trust the Lord to make me a faithful servant, and should problems arise between JUMPSTART and me that cannot be fully reconciled, I will quietly withdraw to preserve the harmony essential to having an effective Christian witness.

By signing below, I indicate:

- 1) My agreement with the Statement of Faith and that
- 2) I will abide by the above Worker's Compliance Agreement, and that
- 3) I will abide by the policies of JUMPSTART as long as I am actively involved.
